

SRACA VIC PRESENTS:

UK International Guest 'Becky Hill'

Becky Hill has worked as a microbiologist and was previously involved in the design, development & delivery of the "Water Quality for Decontamination Services" module for the Anglia Ruskin University in the UK. She is a published co-author in "Decontamination in hospitals and healthcare" edited by Dr J Walker of Public Health England. Becky is the founder of the UK company Solutions 42 which offers a range of performance management & training services.

On Friday 29th November, Becky will be joining us as a guest for dinner and will be providing a motivational discussion that demonstrates how "Values" impact our behaviour and decision making for improvement opportunities.

As our international guest speaker, Becky will also be joining us on Saturday 30th November and will present at the seminar on "water quality for reprocessing reusable medical devices" – an international perspective.

We are delighted to have Becky join us down under and hope you will join us for dinner on Friday & attend the seminar on Saturday. Please indicate on the registration form if you wish to attend the dinner on Friday 29th November.
